

## CC Moore dominates The Sumbar Cup

Following on from last year's extraordinary success during 'The Russian Masters' at Lake Sumbar, the prestigious international Sumbar Cup has been held at the same Croatian venue. Held on 15<sup>th</sup> – 18<sup>th</sup> April 2010 with contestants coming from Austria, Serbia, Croatia, Russia and Lithuania, the results have again been nothing short of astonishing for those teams using CC Moore baits.

Completely dominating the 4-day event in a similar fashion to The Russian Masters, teams of anglers using CC Moore baits took 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place as well as another team catching the largest fish of the competition.

The results were:

**1st place team:** STADIS-Russia  
Total weight: 441.24kg

**2nd place team:** PRO CARPIUS  
GARS-Lithuania  
Total weight: 156.64kg

**3rd place team:** RENMAR-Lithuania  
Total weight: 147.16kg

The biggest fish of the event was also caught by CC MOORE team Russia and weighed in at an impressive 22.3kg.

**Our congratulations go to our friends and colleagues from these teams.**

**We are very pleased to hear of your fantastic results during the competition.**
