

# A Short Trip to Morocco

*Michael Flosdorf*

Our new german CCM-team member Michael Flosdorf went for a five day trip to Morocco, fishing the famous Lac bin el Ouidane.

He caught over twenty carp, most of them commons, with some nice looking mirrors. Ten of his fish were over 30lb. with four fish over forty pounds. The biggest fish was a common of 47lb. 4oz.

He baited up with fresh cooked maize, flavoured with CCM Caramel Concentrate and soaked in CCM Minamino. As a hookbait he used his prepared maize in conjunction with Enterprise Tackle Pop Up Sweetcorn
