On Saturday 26th and Sunday 27th November CC Moore will be attending the Carp Society Winter Show at Sandown Park in Surrey with our team of angling consultants. The show commences at 9am on both days and will see us launch new baits for 2012, give away free product samples, hold a free-to-enter competition and provide special offers at the event. We will also have our highly experienced consultants on hand to help and advise you on the most effective methods of presenting our tried and tested, fish-catching products.

Not only will many of our most popular and successful products be available at unbelievably low prices for the show but you will also be able to discuss the best ways to use them with some of the best known and most successful anglers in the country – the members of the CC Moore Team.

Myles Gibson, Phil Buckley, Jake Wildbore, Spencer Wright, Duncan Maclean, Gaz Fareham, Katie Watkinson and other top anglers will be on the CC Moore stand throughout the day so make sure you visit us to get tips, ideas and those all-important edges from some of the best carp anglers in the UK.
